PRODUCTS FOR CONNECTIVITY & CABLE MANAGEMENT

CE DECLARATION OF CONFORMITY

The undersigned representing Nelco Contact AB herewith declare that the following product series:

CE-Series

Conforms to the European Committee directives that define the essential requirements that products must meet when they are placed on the market. CE Marking on a product is the manufacturer's declaration that the products comply with the essential European directives, such as safety, health, and environmental protection. The terminals are in conformity with the directive below when used in accordance with the instructions in the Product Certificate.

2014/35/EU Low voltage directive (LVD)

The standard below has been applied:

European standard	**IEC 60352-2:2006/A1:2013**

The product is in conformity with directives found under compliance for each specific item on Nelco website: www.nelco.se

Nelco Contact AB is certified against quality standard **SS-EN ISO 9001:2015**, cert no 23810.

The products come in CE-marked packages.

Nelco Contact AB declares that the products comply with above directives when handled in accordance with specifications and instructions from Nelco.
