

4.2 Machine Identification

Item	Description
1	Machine type
2	Article number
3	Air pressure
4	Serial number

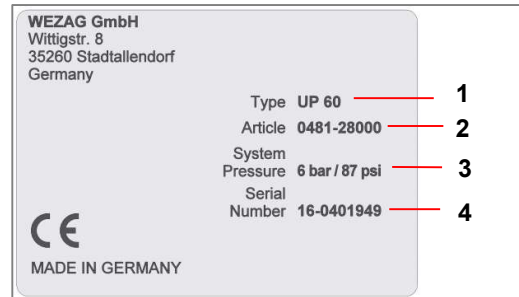

Fig. 4.2

4.3 Technical Data

Dimension:

Length overall:	540 mm (21.3")
Width:	263 mm (10.4")
Height (without eyebolt):	515 mm (20.3")
Height (with eyebolt):	555 mm (21.9")

Weight with foot pedal: approx. 60 kg (132 lbs)

Air consumption at a stroke of 32 mm:	55 l
Air consumption at a stroke of 10 mm:	17,1 l
Air pressure:	max. 6 bar / 87 psi
Crimp Force at 6 bar:	65 kN (14613 lbf)
Stroke:	min. 6 mm (0.24") max. 32 mm (1.3")
Noise level:	69 dB(A)

4.4 Pneumatic Safety Control System

The pneumatic Universal Crimp Machine UP 60 is equipped with a transparent safety guard for the protection of the operator.

INFORMATION

+ Check compliance with Safety Regulation of the country the machine is installed in.
